**T**oday, we celebrate Pentecost Sunday. Pentecost is not a denomination. It is an experience—that of being filled with the Holy Ghost with the initial sign of speaking with other tongues as the Spirit gives utterance. (Acts 2:1-4)

No one will deny the importance of an experience. Experience is defined as **“the process of personally encountering or undergoing something.”**

In all the fields of human endeavors, there is both a theoretical side and a practical side. The **“know about”** (knowledge) must be accompanied by the **“know how”** (experience). The absence of the latter would lead to imbalances of gigantic proportions throughout society.

The disciples of John the Baptist, whom Paul met at Ephesus, were asked an especially important question. **“Have ye received the Holy Ghost since ye believed?”** (Acts 19:2) The primary factor here is experience. As it turned out, they had no knowledge of the Holy Ghost, and therefore could not have had any experience thereof.

By the time the dialogue with Paul ended, these disciples had received the Holy Ghost. Significantly, their experience was the genesis of great spiritual awakening in Ephesus.

Today, the Pentecostal experience is yours for the asking. (Luke 11:13)

## Interesting Times

⇒ On Pentecost Sunday, 2019, almost every seat in the sanctuary of ANAT was occupied by worshippers.

⇒ The guest-population numbered at least sixteen (16).

⇒ When the service ended, four (4) persons had been baptized in the name of Jesus, four (4) had received the Holy Ghost and one (1) backslider had been restored.

⇒ Today, we are celebrating Pentecost Sunday in a virtual manner. The distancing requirements arising out of the COVID-19 pandemic have dictated that worshippers in the sanctuary be limited to ten (10) persons.

⇒ Consequently, most of our members are participating in today's service via livestream.

⇒ Sadly, this pandemic has claimed the lives of over 100,000 persons in the U.S.A. Additionally, the infection rate stands at over 1.7 million.

⇒ Gladly, the pandemic with all its physical, emotional, and mental challenges, has not shut down the operation of the Church of the Lord Jesus Christ.

⇒ Consider the following:

- The total number of persons who viewed our Sunday services in April, including Good Friday, was 7,247.
- With regards to Social Media, the level of engagement with people was greatly increased. For example, for the period April 11 to May 8, ANAT's Facebook page had 9,079 unique accounts, representing a 420% increase over the previous period.
- Hannah Pommells received the Holy Ghost on Easter Sunday.
- Yohan Davis received the Holy Ghost last Sunday.

Interesting times, indeed.
