

TO ALL
WHO ARE CELEBRATING SUCH
IMPORTANT MILESTONES THIS WEEK!

ALL NATIONS
A POSTOLIC TABERNACLE
One Team • One Vision • Committed To Serve
89-28 PARSONS BOULEVARD • JAMAICA • NY • 11432

1. The appropriate records revealed that 2,564 persons viewed our service via livestream last Sunday, March 22.
2. If we estimate that the guest population accounted for 10% of this figure, then 256 guests viewed the service.
3. If we put the estimate at 20% then 513 guests viewed the service.
4. Here are two takeaways:
 - We should influence as many guests as possible to join our livestream audience.
 - We should become members of a Prayer Strike Force (PSF) and pray consistently for the conversion of our guests.

THOUGHT PROVOKING

“People are happier if they are compassionate;
They are happier if they are thankful.
When life gets rough, these qualities become even more important.”

Today (Sunday, March 29, 2020) is so very different from any other Sunday that we have experienced. The sanctuary of ANAT is void of worshippers. They are engaged in worship within the confines of their homes where they will hear a message from Pastor Devon Dawson.

This is the reason. Effective 8:00 p.m. on Sunday, March 15, State regulations prohibited public gatherings with a view to more effectively reducing the spread of COVID-19 virus.

While COVID-19 has resulted in the suspension of several activities, the Christian race is still in progress. The writer of the book of Hebrews exhorts us to **"...run with patience, the race that is set before us, looking**

unto Jesus the author and finisher of our faith...." (Hebrews 12:1-2)

Significantly, participants in the Christian race exude virtues which can help us tremendously to get through the onslaught of this dreadful virus. These virtues include love, joy, peace, longsuffering, gentleness, goodness, faith, meekness and temperance.

Here are three principles to apply, as you run.

1. Be ever mindful of the cloud of witnesses. (Hebrews 12:1)
2. Throw off every weight and sin. (Hebrews 12:1)
3. Look to Jesus. (Hebrews 12:2)

Brothers and sisters! Let's RUN THE RACE!

"Love is just a word until someone comes along and gives it meaning."

- Author Unknown

At the time of publication, over One Hundred and Twenty Thousand (120,000) persons had tested positively with the coronavirus and over Two Thousand (2,000) had died in the United States of America.

As we have been stressing, these are real people. Therefore, out of a heart of love, we should pray for healing in respect of the sick, comfort for those who are mourning the loss of loved ones, and health and strength in respect of medical and healthcare workers together with other persons who belong to the group of first responders.

Additionally, please consider doing the following:

1. When you make purchases,

do not take more than is reasonable. Think of the person after you, who may need it more than you.

2. Call or text fellow-members of ANAT (particularly seniors) to offer words of encouragement and to ascertain whether there are existing needs.
3. Smile generously and show compassion.
4. Express gratitude to persons who serve you.
5. Seek for opportunities to help someone.

Let us by our actions give meaning to the word love.

Together, with God, we shall get through this and emerge better and stronger people.
